

Attention Senior Parents

The Senior Message/Baby Picture Committee needs your help. We are requesting one photo (5" x 7" or smaller) of your "star" senior between the ages of one through five years. The photographs will be used as part of the decoration at the After Prom Event the evening of May 21st.

Kindly write your child's name, first period class and teacher's name on the back of your photo, enclose it in a zip lock bag, and send it to school in an envelope marked "After Prom Baby Pictures". All pictures must be received in the After Prom mailbox located in the Main Office by May 1st. Every effort will be made to ensure your photo is returned after the event.

Thank you for participating. We know your child will enjoy seeing their photo displayed along with his or her "stellar" classmates.

Please contact Maria Remboski at 851-3705 or Roseanna Piechocinski at 802-6710 with any questions.
