

Lights...Camera...Action!

The After Prom Senior Message Committee is selling Hollywood themed message holders for you to write a message to your graduating senior. Let your favorite senior know you are his or her biggest *fan*. Your original message, available for \$5.00 each, will be displayed during the After Prom Event and given to your student at a later date to keep as a memento.

These blank message forms will be available for purchase at the **Fashion Show on March 11th** and at the **Senior Supper on April 20th**. Also, look for them coming soon to the After Prom website.

Everyone can join *this* fan club so invite grandparents, aunts and uncles, siblings, and friends to participate. Each message is \$5.00 and will become a special keepsake for your child. All messages and checks (made payable to Steinert After Prom) must be turned in to the Main Office After Prom mailbox no later than May 1st.

Visit the After Prom website at www.SHSAfterProm.com to stay informed about this fundraising opportunity as well as other news regarding this gala event for our seniors. Thank you for your ongoing support.
