Dear Steinert High School's After Prom Party Parent Volunteers,

I would like to commend you on a successful After Prom Party for our students. Your tireless efforts for months truly paid dividends when our students arrived at Steinert and participated in a safe and incredibly fun evening of food, games, activities, and prizes. The building was transformed and the atmosphere was magical.

Our students' are important and their safety is paramount; you underscored that message to them by hosting this event in such a grand manner. I thoroughly enjoyed walking through the rooms and halls hearing and witnessing their reactions to what you provided for them. I am confident that every student had a great time.

The After Prom Party would not be possible without volunteers such as you. It was a mammoth undertaking that required tremendous commitment from everyone. Your dedication to making it a night to remember was rewarded by achieving this goal. I personally thank you for your enthusiasm, passion, and commitment; on behalf of all of the students who attended the SHS After Prom Party 2010, I thank you!

Sincerely,

Kelly Mattis
Principal
